M85

Suitable as a built in

M 85 with HC refrigerant is an eco-friendly display cooler and is a compact version of the best-seller M 200 display cooler. M 85 has an elegant glass door and is very easy to place due to its compact design. The unit is very adaptable in use as the shelves can be moved to accommodate all types and sizes of cans and bottles. A built-in fan provides perfect cooling performance and temperature stability.

-  **Glass door**
-  **Digital controller with temperature display**
-  **Aluminium handle**
