

Precision Special Micrometers

SILVER-LINE[®] Micrometer DIN 863

- with special measuring faces
- drum and sleeve matt chrome finish
- frame hammer blow grey lacquered
- with insulation plates
- carbide surfaces, finely ground
- locking wheel for quick and precise fixing
- with ratchet for constant measuring pressure

ART No 23 2910

ART No 23 2921

SILVER-LINE[®] Micrometer DIN 863

- with 30° and 60° pointed measuring faces
- drum and sleeve matt chrome finish
- frame hammer blow grey lacquered
- with insulation plates
- carbide surfaces, finely ground
- anvil length 15 mm
- locking wheel for quick and precise fixing
- with ratchet for constant measuring pressure
